

## Instructions

Shoot the enemy tanks to survive

Refuel by driving onto the red energy concentration

Destroy the crystals to escape !

Coming soon ! Nothing to do with Tank Busters

Hooked On Classics / 'Oh what a dull name'

oh - while you're at it . . . read the inlay !

Depress SPACE to continue .

## Suggestions

The perspective works to the full in a dark room with the player sitting about four feet away from the display .

The sound effects are produced in stereo and can be played through a stereo system .

We actually recommend joysticks ! ( Yeeeah ! )

" Tell me - do you get on well with other programmers ? "

" Hate them "

Depress de SPACE mon !
